EVENT HORIZON: ART HAPPENINGS AROUND NEW

9 Art Events to Attend in New York City This Week

BY The Editors of ARTnews POSTED 02/21/17 11:47 AM

Opening: Luis Camnitzer at Alexander Gray Associates

As scholars continue to discover and rediscover '70s avant-garde movements outside America, Luis Camnitzer is beginning to seem like one of the world's most preeminent conceptualists. The German-born Uruguayan artist may be known mainly for his text works and his photographs, which meditate on the passage of time and the act of seeing, but here, he will debut a new video installation—*The Time Project*(2017), a long take of a river accompanied by clocks. In a show titled “Short Stories,” he'll also debut new works from his “Improbabilities” series, in which dice are assembled into squares in various patterns, as well as his “Timelanguage” prints, a group of works that ponder the possibilities of text.

Alexander Gray Associates, 510 West 26th Street, 6–8 p.m.

Luis Camnitzer, *Improbability 2-5*, 2017, mixed media.
