The ten designs in *Regina Silveira: Unrealized / Não feito* represent an alternative world for the artist. She is known for her conceptual pieces that play with perspectives, creating illusions within the framework of the reality. By displaying these never built projects, Silveira enters a different area of conceptual art, one where the project exists only in the imaginations of the artist and viewer.

On view: June 6 – July 12, 2019

Alexander Gray Associates, 510 West 26th Street, Hours: Tue-Sat: 10-6, Admission: Free
