"Waiting for the UFOs (a space set between a landscape and a bunch of flowers)" by Polly Apfelbaum

Opens Thursday, Jan. 24, at Kemper Museum of Contemporary Art

New York contemporary artist Polly Apfelbaum, who has mounted more than 60 solo exhibitions worldwide during a four-decade career, is known for her colorful textiles, ceramics, works on paper and especially fabric installations. "Waiting for the UFOs (a space set between a landscape and a bunch of flowers)" originated at the Ikon Gallery in Birmingham, England, and has been specially designed for Kemper Museum, which is kicking off its 25th anniversary year. **Opening reception, 6-8 p.m. Thursday, Jan. 24; artist talk, 6 p.m. Friday, Jan. 25; runs through April 28. 816-753-5784. [kemperart.org](http://kemperart.org). Free.**
